Appearance: Dark rich purple colour. The nose reveals plums, roasted coffee and forest floor flavours. On the palate baked blueberry muffins with lovely plummy, salty finish.

about the harvest

All grapes were hand picked and sorted in the vineyards.

in the cellar

A second berry sorting was done in the cellar, before a pure yeast culture was inocculated. The juice was pumped over the skins 3 - 5 times per day and manuel punch downs done for 5 days. Once fermentation was complete, the wine was drained off the primary lees and transferred to a resting tank. Malolactic fermentation and a brief settling period preceded the wine's transfer to a combination of 225 litre barrels of French oak types. (25% New)
