food suggestions

Served well chilled, this wine is well suited to any seafood, pasta and cold meats. Also delightful on its own!

in the vineyard

Wine-growing Area: Klein River Ward, Western Cape, South Africa

about the harvest

All grapes were hand picked.

in the cellar

All grapes were hand picked and sorted before being crushed directly into the tanks where skin contact is allowed for 4 hours. 6-15% of each variety were extracted and inocculated with pure yeast cultures to optimize fermentation at around 16 degrees celcius. The wine was allowed to naturally clarify under gravity prior to filtering and bottling.
