

Raka Cabernet Sauvignon 2020 main variety Cabernet Sauvignon vintage 2020 analysis alc: 14.5 | ph: 3.60 | rs: 2.8 | ta: 5.7 type Red producer Raka Wines style Dry winemaker Josef Dreyer taste Fruity wine of Klein River

tasting notes

An intriguing nose of black cherry, plum and dark berry fruits giving way to notes of tobacco and mint. Integrated dark fruit, oak spice and oak tannins give the wine a full mouth feel and a lingering aftertaste.

blend information

body Full

100% Cabernet Sauvignon

in the cellar

All grapes were hand picked and sorted before a pure yeast culture was inoculated. The juice was pumped over the skins 3-5 times per day for 5 days. Once fermentation was complete, the wine was drained of the primary lees and transferred to a resting tank. Malolactic fermentation and a brief settling period preceded the wine to a combination of 225 litre barrels of French oak types. The wine spent between 12-14 months in barrels before bottling and labeling.
