wine of Elgin

### tasting notes

A wine grown high up on the foothills of the Groenlandberg in the cool climate of Elgin resulting in slow ripening that develops beautiful, zesty tropical fruit.

### blend information

95% Sauvignon Blanc, 5% Sémillon

### in the vineyard

With the cool climate of Elgin resulting in a delayed ripening time, our Sauvignon Blanc is allowed to mature in the vineyard where other warmer regions do not have this luxury. Reductive winemaking with cool fermentation temperatures results in a wine bursting with beautiful depth of fruit.

### about the harvest

Oak Valley 'Fountain of Youth' Sauvignon Blanc expresses fruit aromas of passion fruit, white peach and litchi with a slight herbaceous undertone. Flavours of passion fruit persist on the palate, particularly granadilla, lemons, white pear, gooseberry and a lovely saline finish that reminds one of fresh oyster shells or sea salt.
