The Raka Rosé is a vibrant and alluring wine, boasting a captivating nose of strawberry, cherry, and rose petals, with hints of candy floss and white pepper. The palate is a masterful balance of rich, fruity flavors - crushed strawberry, prunes, and red jelly - complemented by a refreshing crispness, a hint of lemon zest, and a subtle sweetness. The finish is long and elegant, with a lingering aftertaste that leaves you wanting more

about the harvest

All grapes were hand picked.

in the cellar

All grapes were hand picked and sorted before being crushed directly into the tanks where skin contact is allowed for 4 hours. 6-15 % of each variety were extracted and inoculated with pure yeast cultures to optimize fermentation at around 16 degrees celcius. The wine was allowed to naturally clarify under gravity prior to filtering and bottling.
